General Harrison's Callers.

INDIANAPOLIS, January 11.—A delegation from Nebraska Colorado Kansas Dakota and Wyoming called upon Gen Harrison to-day. Prominent in the party were Hon G L Laws secretary of state for Nebraska Hon J G Dorr of Bear Center Neb. E A Hovey of Colorado Judge W Bolton of Nelson Neb. F R Hamilton of Newton Kan. Geo W Lemley of Dakota and H D Miller, of Rapid City. They came by before the president elect to urge the selection of a broad man for the interior department, who would treat settlers liberally on homestead claims with promptness and encourage them to prove up and secure titles to their holdings instead of impeding their efforts in this direction by technicalities.

Secretary of State Laws says many settlers have found it almost impossible to secure titles to the land they settled on more than three or seven years behind in issuing patents.

There is quite a boom to be given to Nebraska delegation to-day owing to the withdrawal of John M Thurston to accept position.

The Electoral Colleges.

WASHINGTON, January 11.—Advices to the special press show that the electoral votes of all the states and Indian territories cast their vote for president and vice president in accordance with the choice of the Electoral Colleges.

DENVER, January 11.—The electoral college of the state of Colorado Frank Bell, Jas. [illegible] and Jas. H. Moore, met at the State house this morning and cast their ballots for Harrison and Morton. Jay P Gallaway was appointed messenger to carry the vote to Washington.

Railroad Collision.

CHEYENNE, Wyoming, Jan. 11.—A freight collision occurred on the Union Pacific road at Granite Canon, 40 miles west of this city, last night, in which Engineer Bradley and Fireman Murphy were killed. The engine and caboose of the first train were completely demolished, and the engine of the second train was badly damaged. The track was blocked for several hours, but was cleared this morning. The accident was caused by the second train overtaking the first, which was moving slowly on account of the heavy grade. The engineer and fireman of the second train jumped and escaped injury. The caboose was crushed into fragments. The wreckage took fire and was burned up and stood [illegible] Engineer Huntington of Wallaroo of the express were killed.
